We finish lifting stock quite late in fall, and cleaning is not far advanced before December. We fill all orders for cleaned and graded stock for fall shipment when requested, but it puts us to additional labor costs in handling, and we prefer to book for early spring delivery, except as specified in Special Offers. Our storage is ideal for keeping bulblets in first class condition, all bulbs planted on new land and disinfected with Seaman or other preparations before planting, so stock will be found clean and free from disease. RATE: 1000 bulbs at nine times the 100 rate, 250 at 1000 rate, 25 bulbs at 100 rate. No single item for less than 25¢, minimum order $1.00. TERMS: 20% with order will hold for early spring delivery, balance before shipment or C.O.D. TRADE PACKETS of bulblets: We can supply these in 50¢ and $1.00 packets; on all varieties listed at $5.00 per 1000 or less, put up in proportion to the quart or pint rates, and a better value than where bulblets are counted. Complete list of over 200 varieties issued in January.

Many of our customers who purchase small bulbs or bulblets, wish a few assorted large sizes for comparison, so we are listing below such assortments. OUR SELECTION of sizes, no quantity specified, only that you will get the 100 rate price on bulbs sent you. All these lots will be $1.00 each, see right hand margin below.
